

Amy Grant and Vince Gill want to help spread the holiday cheer this Christmas season, and they are arriving just in time, December 19th at the Scottrade Center.

They want to help liven up your Christmas this year, and will be celebrating the holiday spirit in STL in just a matter of days.

“The job of spreading Christmas cheer has simply gotten too big for Santa and Rudolph to do alone,” Gill explains. “So Amy and I are pitching in. Besides, these holiday tours have become our favorites.”

The concert begins at 8 PM, and there is disabled seating and other accommodations for special needs persons.

Tickets range from \$44.95 - \$59.75 dependent on the seats you choose, and if you would like more information on this event including parking info and details on how to get there just in case you have never made it to the Scottrade Center before, visit their [website](#) for the full story.
